CHOOSE THE RIGHT DAILY TO SATISFY YOUR BUSINESS NEEDS

The Daily €5 van offers the widest model range in the industry, with as many as 8,000 factory versions to choose from. They combine the different wheelbases, power ratings, volumes, internal heights of the load compartment and load capacities to match a broad spectrum of missions. The Daily van was born to serve the transport professional and has followed its sound business instinct throughout the years, anticipating the evolution of the industry and expanding the range to meet the increasingly wide variety of requirements.
